DATE : July 6, 2022

The May 2022 CPALE had produced “0” out of “3” performance from our first batch of BSA Bridging program. This indicator is truly alarming that our office takes the necessary step to curb the potential repetition of such negative performance.

To this, we require all graduates from Term 1.1, AY 201-2022 and the graduating students from batches of Term 1.2 and Term 1.3, to undergo the following enhancement programs:

1. Take the CPALE Simulation Exams and obtain the minimum rating of 65/100 raw score per course, on the following schedule:

Courses	Date	Time	Platform
FAR	July 17, 2022	12:01AM – 11:59PM	CERTS Professional Assessment System
AFAR	July 18, 2022	-same-	-same-
AUDITING	July 19, 2022	-same-	-same-
TAX	July 20, 2022	-same-	-same-
RFBT	July 21, 2022	-same-	-same-
MS	July 22, 2022	-same-	-same-

- 1.1 The provision for only one retake, in case of failure to obtain the minimum rating, will be on July 23-July 28,2022.
 - 1.2 The results of your SIMEX will be the principal basis in our recommendation to issue the corresponding Transcript of Records in your application for the CPALE.
2. Attend our Power Review, scheduled as follows:
 - 2.1 The schedule for our Power Review for the October 2022 CPALE will be published at the www.certsedu.tech.
